Board of Education
Drexel R-IV School District
207 S. Fourth Street
Drexel, MO 64742

Dear Board of Education Members:

The 2023-2024 budget has been developed with input from district building administration, teachers and support staff. A budget hearing will be held June 19, 2023 to provide the Board of Education with information and to seek additional input. The 2023-2024 budget has been developed to reflect changes in personnel, salary and benefits. The district has maintained its capped contribution to employee health insurance at \$625/month. The district will take part in the state grant program to increase teacher salaries to a \$38,000 minimum. For those teachers who are already making over \$38,000 the salary schedule will include a local grant column funded by the district, that amount for 2023-2024 is \$1,750. The district also made revisions to the classified salary schedule to raise the starting hourly wage for classified employees.

Revenue Overview

It is estimated that the district will receive \$2,234,169 in local revenue. The county revenue is estimated at \$154,000. State funds are expected to produce revenues in the amount of \$1,848,316. A total of \$327,521 is anticipated in federal revenues. The total anticipated revenue for 2023-2024 is \$4,564,006.

Expenditure Overview

The total expenditures for the 2023-2024 budget are \$4,418,077. Overall spending is projected to be less than in 2022-2023. Operating expenditures for 2023-2024 are projected to be \$4,186,004. This amount is nearly \$175,000 less than during 2022-2023. This decrease can be attributed to reducing 1.0 certified 3.0 non-certified positions.

Summary

The 2023-2024 budget provides revenues over expenditures of \$145,929. However, operating revenues are projected to exceed operating expenditures by \$50,289. The estimated overall ending fund balance in the general operating fund is \$1,189,854, which represents a 28.42% fund balance for the 2023-2024 budget.

Overall revenues will be lower than the previous year by approximately \$235,000, which will primarily be due to claiming our remaining ESSER III funds in 2022-2023, while operating revenues will be lower by approximately \$245,000, which is also ESSER III related.

While overall and operating expenditures are also projected to be lower than the previous year by approximately \$175,000 to \$180,000, the district has experienced a significant increase in the cost of most goods, materials and services due to inflation. The district is also projected to have increased costs within the special education program.

It is imperative that the district monitor expenditures over the next 12-24 months and be much more conservative when it comes to expenditures.

Respectfully submitted,

Terry Mayfield

Budget Message

*2023-2024 Preliminary Budget
June 19, 2023*

Presented to the Board of Education and Patrons of the District

DREXEL R-IV SCHOOL DISTRICT ANNUAL BUDGET

General remarks (context)

A number of changes have occurred impacting the district in the prior fiscal year.

- The number of personnel has reached the threshold of fifty (50). With this comes the offering of health insurance benefits to more staff members. While the staff members certainly deserve these benefits, it does increase staffing costs.
- The district continued to operate on a four day school week during 2022-2023.
- The district continued to implement a 1:1 technology initiative during 2022-2023.
- Elementary grades 4-6 continued to implement a departmentalization concept.
- The district will reorganize its' building level administration and move to having a K-12 Principal and a K-12 Assistant Principal – rather than having an Elementary Principal and a Secondary Principal.

Significant changes for the upcoming year

- The district will continue to operate on a four day school week.
- The district will continue to implement a 1:1 technology initiative.
- The district will reconfigure the grade structures of the district:
 - K-5 Elementary
 - 6-8 Middle School
 - 9-12 High School
- The elementary will continue to departmentalize in grades 4-5.
- The district maintained a \$625/month cap on the contribution to employee's health insurance premium.
- The district will continue to offer district paid vision and dental insurance to the employee benefit package.
- The district will participate in the state's minimum salary grant program.
- The district increased the certified base salary local column by \$750, increasing it from \$1,000 to \$1,750 for those over \$38,000.
- The district increased hourly wages for classified staff.
- The district will continue the reorganization of its' building level administration and move to having a K-12 Principal and a K-12 Assistant Principal – rather than having an Elementary Principal and a Secondary Principal.
- The district continues to monitor staffing needs.
- The district will continue to contract IT Services.
- The district will contract Custodial and Maintenance Services.
- The district will continue to contract Transportation Services.

Budget preparation

- Revenue and expenditure trends have been considered.
- Attempts have been made to improve compensation of staff members.
- We have used data from the Department of Elementary and Secondary Education (DESE) in developing state revenue estimates.
- We have used historical trends and estimates from county officials to estimate local revenues.
- We have listened to needs expressed.
- Revenues have been projected conservatively.
- Expenditures have been projected liberally.
- The resultant bottom line on the budget should be viewed as a worst case scenario, financially. In other words, we should end the year in better financial shape than this preliminary budget depicts.

Organization, pupil enrollment

As previously addressed, the district will operate on a four day school week, which will provide 148 days of student instruction. While the number of days has decreased from 168 to 148, the length of each day has been expanded by 49 minutes.

Our single building (plus the Ag Building) will no longer be divided administratively into Secondary (7 – 12), and Elementary (Pre-K – 6). Administratively there will be a K-12 Principal and a K-12 Assistant Principal. Within the secondary portion, there is some natural separation between the high school grades (9 – 12) and the middle level (7 – 8). Enrollment in the district continues to fluctuate. Five years ago there were approximately 316 students in grades K-12. During the 2018-2019 school year enrollment dropped to as low as 284 students, finishing the school year with 294 students in grades K-12. During the 2019-2020 school year enrollment at the end of the school year was 287 students in grades K-12. During the 2020-2021 school year the enrollment at the end of the school year was 276 students in grades K-12, with 254 students in-person and 22 students using virtual learning. During the 2021-2022 school year the enrollment at the end of the school year was 290 students in grades K-12 and at the conclusion of the 2022-2023 school year, enrollment at the end of the school year was 287 students in grades K-12.

We are small enough to allow each student to be involved extensively in educational and co-curricular programs. We are proud of academic achievements, and the success students have experienced in a multitude of programs, such as FFA, FBLA, FCCLA, NHS, NJHS, Student Government, Music, Art, creative competitions, cup stacking, and athletics. Our students and staff take pride in their service commitment to each other, the school, and the community.

In conclusion

The 2023-2024 budget provides revenues over expenditures of \$145,929. However, operating revenues are projected to exceed operating expenditures by \$50,289. The estimated overall

ending fund balance in the general operating fund is \$1,189,854, which represents a 28.42% fund balance for the 2023-2024 budget.

It is imperative that the Drexel Board of Education and Administration take a very cautious approach to spending to avoid a repeat of the past. The future of the district appears solid. One time expenditures need to be spaced out so as not to put a strain on an otherwise tightening budget. As employee's leave the district, much consideration must be given as to whether or not that position should be filled.

The Drexel School District has recovered from a recent financial crisis over the last 8-10 years. Even though the district does have a comfortable fund balance, the district should plan for financial recovery to maintain reserves. This recovery will be dependent upon prudent spending especially in the areas of salary and personnel. It is imperative that the district continue to monitor expenditures for the next 12 – 24 months, and be much more conservative when it comes to expenditures.

	03/01/2025		\$155,986.25		\$33,750.00	\$239,472.50

(1) This Summary Schedule depicts the combined principal and interest payments due on each payment date for the District's general obligation bond issues.

(2) The interest payments on the Series 2017 Refunding Bonds are paid from the Escrow Account of U.S. Treasury Securities through the March 1, 2019 payment date. On March 1, 2019 the Escrow Account prepaid the callable Series 2014 Bonds.

(3) There are annual Paying Agent and Registrar Bank charges in the amount of \$300.00 for the Series 2019 Bonds, \$300.00 for the Series 2017 Refunding Bonds, and \$300.00 for the Series 2014 Bonds. The District should include these expenses in its budgeting process. Since the March 1, 2019 call of the Series 2014 Bonds, the annual Paying Agent and Registrar Bank charges have ceased for that issue.

	03/01/2039				\$225,500.00	\$231,000.00

(1) This Summary Schedule depicts the combined principal and interest payments due on each payment date for the District's general obligation bond issues.

(2) The interest payments on the Series 2017 Refunding Bonds are paid from the Escrow Account of U.S. Treasury Securities through the March 1, 2019 payment date. On March 1, 2019 the Escrow Account prepaid the callable Series 2014 Bonds.

(3) There are annual Paying Agent and Registrar Bank charges in the amount of \$300.00 for the Series 2019 Bonds, \$300.00 for the Series 2017 Refunding Bonds, and \$300.00 for the Series 2014 Bonds. The District should include these expenses in its budgeting process. Since the March 1, 2019 call of the Series 2014 Bonds, the annual Paying Agent and Registrar Bank charges have ceased for that issue.

DREXEL R-IV SCHOOL DISTRICT
